

BITRON™ PRODUCTS

BITRON™ Diesel Fuel Conditioner

- Compatible with all grades of diesel and bio-diesel fuels
- Increases lubrication
- Conforms with EPA Regulations

- BENEFITS:**
- Reduces moisture-related problems in the fuel system
 - Increases fuel efficiency
 - Reduces gelling point and inhibits fungal growth
 - Protects pumps and injectors

BITRON™ Diesel Power Plus

- Compatible with all grades of diesel and bio-diesel fuels
- Polymer lubricant - contains no solids
- Enhances fuel burn

- BENEFITS:**
- Significantly increases fuel economy
 - Protects injectors and fuel pump
 - Reduces moisture-related problems & inhibits diesel fungus
 - Reduces exhaust emissions & black smoke

BITRON™ Petrol Fuel Conditioner

- Compatible with all unleaded and ethanol fuels
- Contains AVSR lubricant

- BENEFITS:**
- Reduces exhaust emission
 - Prevents valve seat recession
 - Increases fuel economy

BITRON™ Petrol Power + Octane Booster

- Compatible with unleaded and ethanol fuels
- Contains AVSR lubricant
- Eliminates engine pinging

- BENEFITS:**
- Boosts octane by up to 7 numbers
 - Maximises horsepower & torque
 - Protects against valve seat recession
 - Increases performance and acceleration
